About the Course

Indian Institute of Social Welfare and Business Management (IISWBM), which is the first Management Institute set up in India in 1953, has carved out a niche for itself by offering innovative management courses with an overtone on social welfare. One-year full-time Post Graduate Diploma in Sports Management is one such course introduced in the Institute's Golden Jubilee Year in 2003. Indeed we are the first management institute in India to offer such a course on the lines of MBA courses in Sports Management offered by the Universities of UK, the USA, Germany, Australia and other western countries.

This has become a full-fledged Post Graduate Diploma Course in Sports Management of the University of Calcutta from 2010-2011

The Department is well structured with the most efficient, experienced and erudite faculty members from the field of Sports Management.

The faculty members of the department are well versed and committed to provide a complete learning environment to the students to equip them to manage sporting organisations with new ideas which will enable them to meet the complex challenges of the dynamic world of sports. The curriculum of this Course is benchmarked as per international standard and periodically updated as per the requirements of the industry.

The placement record of the course is exemplary and practically all the students have been suitably placed.

PGDSM PROGRAMME

Post Graduate Diploma in Sports Management is a regular course **under the University of Calcutta**.

The course is designed to give students a professional exposure to the structure, economic impact, organisation, funding of the sports industry as well as current trends in sports and relationship between sports and the mass media. The students will learn about the laws and regulations that all leisure and recreational organisations have to follow.

More specifically, this one-year Post Graduate Diploma programme has been designed to cater to the demand from various institutions and industries for appropriately qualified people to manage and administer sports-related operations. The syllabus is reviewed from time to time to introduce new thoughts and concepts.

The programme helps the students to gain a thorough understanding of the multi-dimensional importance and value of sport. They also acquire business skills relating to public relations, marketing and entrepreneurship, which today form an integral part in the administration of any sporting organisation.

The programme is designed to help the students to learn the tools and techniques of sports administration, including event management. It also acquaints them with contemporary trends and issues in sport. It also covers sports science, sports psychology, sports economics, sports finance, broadcasting and sponsorship, development of sporting talent and management of facilities.

From the Academic Session 2020- 2021, the course structure has been revised and updated

completely in accordance with the present scenario and upcoming trend of the business of sports globally as well as in India. To keep in tune with this change, an additional paper on 'Lifestyle and Wellness Management' is introduced in the first semester course curriculum in order to make the students aware of how to remain healthy and fit in this competitive environment and also to combat with the lifestyle diseases.

Another important inclusion in the course curriculum is 'Kabaddi' as a part of the paper 'Administration of Specific Games'. The franchisee-based league system is gaining popularity in India and Pro Kabaddi League is one of them. The Pro Kabaddi League has expanded the opportunities of the sports management students to work in this field.

OBJECTIVE

The focus of this niche course is an inclusive management education for general graduates, the objective being to offer a career, which would help them to earn a decent livelihood in an unexplored field hitherto.

ELIGIBILITY

The minimum qualification for admission is a Bachelor's Degree (10+2+3 system) in any discipline from any University recognised by the University of Calcutta.

Those, who will be appearing in such examination in 2021, may also apply, provided that, if selected, the candidates must have to submit the final mark-sheet of graduation before the form fill-up of the first semester examination for the Academic Session 2021-2022.

The maximum number of seats for the Course is 30 with reservation for SC and ST according to the norms of the University of Calcutta.

FOREIGN/NRI/PIO STUDENTS

A candidate from abroad may apply giving details of academic background along with a certified copy of passport and other relevant documents; GMAT/ equivalent score is desirable. Admission may be considered subject to Bachelor's Degree qualification and any other requirements of the University of Calcutta.

MIGRATION

The students of other Universities are to get Calcutta University's Registration after migration. Calcutta University's rules and procedures in this regard are to be followed. They will be required to pay separately the Migration and University Registration fees.

LOAN FACILITIES

Institute will provide a certificate to an applicant seeking loan from a bank which has floated the 'Loan Scheme', referring that the candidate is a bona-fide student of the Institute.

MEDALS

A Gold Medal is awarded to the candidate who ranks first in order of merit for the concerned Academic Session. A Silver Medal is awarded to the candidate who ranks second in order of merit for the concerned Academic Session.

STUDENT PROFILE

The Institute has cosmopolitan student profile from different states of India, including Jammu & Kashmir.

ALUMNI

Alumni are holding important positions in companies engaged in sports, including electronic media, and sports federations, such as AIFF, BCCI and ICC. At present, some of our alumni are working in important managerial and administrative positions in the Sports related Departments of the Government of West Bengal, Government of Andhra Pradesh, Sports Authority of India (SAI) etc. Some of them are also holding important positions abroad.

PLACEMENT

Assistance is rendered to students in obtaining placement. The record of placement is exemplary and practically all the students have been suitably placed in India and abroad with reputed Sports Organisations, Sports Management Companies and other organisations operating in the field of sports.

COURSE STRUCTURE

PGDSM is a one-year full time Post Graduate Diploma Course in Sports Management of the University of Calcutta. The Course is designed to give students a professional exposure to the structure, economic impact, organisation, marketing, funding of the sports Industry as well as current trends in sports and relationship between sports and the mass media.

One full academic year spreading over two semesters will include theoretical papers, project/ internship and dissertation work.
