ABOUT THE PROGRAMME

PGDSCLM is a one-year weekend P.G. programme specialising in Supply Chain and Logistics Management. It equips working professionals with state-of-the-art supply chain practices and prepares them for responsible positions in organisations. The programme runs over three trimesters of compulsory papers, specialisation papers and project work. Eligibility: a Bachelor's degree in any discipline from a recognised university and at least one year of work experience. Admission is based on academic record, work experience and a personal interview.

- Experienced faculty
- Case-based learning
- Strong alumni network
- Industry networking
