

## Congratulation to International Scholarship Winners Students of Energy Management (MBA-PS) Department, IISWBM from AEE (USA) and CWEEL(USA) since 2003

The Association of Energy Engineers® (AEE®), founded in 1977 by Albert Thumann, is a nonprofit professional society of over 18,000 members in more than 100 countries with headquarters in USA – being the largest association of energy professionals. The AEE Foundation Scholarship program was established to encourage qualified practitioners in energy engineering and energy management to further education in these fields by awarding scholarships. To date, the Foundation has awarded over \$950,000 in funds for use by more than 1900 outstanding students. IISWBM is proud of more than 30 students since 2003 who have won the AEE International Students' Scholarship, after being scrutinized and adjudged based on their performance in the Energy Management course emphasizing energy engineering, energy management, and energy/sustainability and also fulfilling the criteria set by the international panel. Council on Women in Energy and Environmental Leadership is the women's arm of AEE(USA).

This international recognition is a landmark in the pursuit of professional excellence and building international career.

## **AEE Scholarship Winners from Energy Management, IISWBM (2022-2024 Batch)**

We are proud to announce that five students from the current batch of energy management have been selected to receive the prestigious AEE scholarships

2023. Two of them have received the Al Thumann Award amounting to 5000\$ each while the remaining three have received AEE International Scholarship amounting to 1000\$ each. All five students have received complimentary student membership for one year from the AEE foundation. Each of them will also get an opportunity to attend the AEE World Energy Congress 2023 in- person at Orlando, FL.

The graphic is a celebratory announcement for AEE 2023 scholarship winners. It features a dark red background with a gold ribbon banner at the top that reads "CONGRATULATION". Below this, the text "ENERGY MANAGEMENT DEPARTMENT BATCH 2022-2024" is displayed. In the center, a gold circular seal with a ribbon says "AEE 2023 SCHOLARSHIP WINNERS". Five circular portraits of the winners are arranged around the seal. Each portrait is accompanied by the winner's name and a gold ribbon indicating a \$1000 scholarship. The winners are Hemanta Roy, Manabendra Ghosh, Abanish Mazumder, Baibhav Nag, and Sumita Banerjee. Logos for IISWBM (Indian Institute of Social Welfare and Business Management, ESTD 1953) and AEE (Association of Energy Engineers) are in the top left, and the Kolkata Chapter logo is in the top right. A footer at the bottom reads "Know more about Energy Management Dept., IISWBM".
