## *Directors Desk*

**I**t is my great pleasure to introduce the MBA-PS batch of 2023. We believe in nurturing these budding managers with diverse knowledge, skills and value system to help them grow as leaders, who in the long run will 'Nurture and build companies'.

IISWBM is the first B-School in India to offer an MBA degree. This being our flagship programme, the selection procedure is quite stringent so as to assure merit. Even during challenging times such as the outbreak of Covid-19 pandemic, we have not faltered. Education and safety have been our top priority. Owing to this, our faculty and students have very conveniently switched to the online mode-thus, adapting to change and yet preserving quality.

Keeping up with industry trends, this batch has a healthy mix of experienced and fresh graduates opting for specialisation in Transportation & Logistics Management, who are enthusiastic, have an out of the box and millennial approach in problem solving.

We highly appreciate the confidence reposed on us and the invaluable support extended by our recruiters over the years.

I am confident that this batch with its traditional education, modern outlook will add a distinctive edge as part of your team. I look forward to your gracious participation in our Campus Placement Drive 2022-23.

*"Before you are a leader, success is all about growing yourself. When you become a leader, success is all about growing others."* – Jack Welch.

## *Message from the Head MBA (PS)*

**I**t is indeed a great pleasure to introduce the students of MBA in Public Systems Management Course, who came from diverse backgrounds and have developed themselves academically and professionally during their two year stay at IISWBM through class room teaching as well as industrial internship, participation in seminar/workshops, professional meet, industry visits and interaction with industry experts, etc. Such activities have led the students towards an all-inclusive and sustainable growth.

I believe that they now form a strong resource base for the corporate sector as well as industry in all the four different domains of their specialisations, as Environment Management, Energy management, Health Care and Hospital Management, and also Transportation & Logistics Management that they may choose to work for as they are ready to embark upon a management career and wish them well.

**PROF. (DR) KRISHNA M. AGRAWAL**  
*Head of Department of MBA-PS, IISWBM*

## *About IISWBM*

**I**t has been 67 long years down the path of knowledge; the Indian Institute of Social Welfare & Business Management shines bright in the scholastic world for its constant yarn for success and betterment.

The year was 1942, the first Prime Minister of India, Pandit Jawaharlal Nehru laid the foundation stone of a social welfare training to match needs of skilled labour by the British Government for its ordnance factories. Few years later on the 25th of April, 1953, Dr. B.C. Roy, the then Chief Minister of West Bengal along with Dr. D.K. Sanyal, established the first B-School of the country.

The IISWBM has the honour of lending valuable expertise to esteemed institutes such as IIM-C (Indian Institute of Management, Calcutta) and DOMS IIT ISM Dhanbad.

The Department of Posts, Government of India released a commemorative stamp to celebrate the Golden Jubilee of the Institute in 2003.

Currently IISWBM offers courses on MBA, MBA (HRM), MBA-PS (Energy & Env, Logistics, Healthcare), MSW, Retail, Sports Mgt., Integrated M.Phil. and Ph.D., all of which are autonomous courses affiliated to the University of Calcutta.

IISWBM holds the pride of being the first institute of the country to offer an MBA degree. All these years, the highly knowledgeable faculty, dedicated staff, deemed alumni and erudite students have upheld the esteem and pride of the institute and will continue to do so in the foreseeable future.

## *Infrastructure*

### CLASSROOM

The spacious airconditioned classrooms are well equipped with Smart boards, LCD multimedia projector etc. and properly maintained to cater to the academic requirements of the students. The seminar rooms possess all the necessary amenities so that ideas can be exchanged between the students and faculty and even members from other institutes or corporate houses.

### CENTRAL LIBRARY

The Central Library was started along with the establishment of the Institute in 1953 in order to cater to the academic and research needs of the faculty, research scholars, students, officers and non-teaching staff. Since then, the Institute Library has gone from strength to strength to live up to the expectations of its users. Central Library has open-access facility for the members. It provides lending, reprographic and bibliographic and other services to the students, faculty and other scholars. The books in the Library are arranged according to the DDC numbers mainly on specialized subjects on Management, Social Welfare, Industrial safety, Transport, Environment, Energy, Health Services, Economics, Mercantile and Labour Law, Bio-Informatics, Sports and Intellectual property etc. The Library subscribes a good number of foreign as well as Indian periodicals and journals. The Library also has e-journals and e-books for the benefit of the users. The Central Library has already implemented the bar-code based circulation system. The members can also search the OPAC through our MIS system. The Institute subscribes to the database Prowess and Crisil.

### COMPUTER CENTRE

The Computer Centre of the institute is housed on the first floor. It has all the state-of-the-art resources in place to facilitate the academic and administrative activities of the institute. Apart from providing high end academic support to the students, it also provides leased line Internet connectivity, through wireless and wired LAN. Students have access to continuous free Wi-Fi facility at the Institute.

### HOSTEL

The Institute provides safe, separate, well-furnished and comfortable hostel facility to both boys and girls outstation students, subject to availability of seats. Girls Hostel with a capacity of 42 seats and Boys Hostel with 19 seats are situated adjoining to the institute campus. In addition institute may arrange for interested students in obtaining paying guest (P.G.) accommodations.

## LANGUAGE LABORATORY

The Institute has a Web Assisted Language Laboratory to support students in the language learning process. Innovative interactive tools such as digital multimedia control, wireless headsets and microphones are provided not only to enhance language teaching but also to enable instructors accomplish continuous assessment and grading of students' performance.

The facilities in the Language Laboratory allow students to listen to model pronunciation and diction, practice by repeating and record the same, which allows students to compare with the model and conduct self-assessment.

## CANTEEN/GYM

The Institute has a canteen facility offering a variety of healthy cuisine at reasonable and affordable rates. It is essentially a student's zone with free Wi-Fi facility. The Institute also maintains a well-equipped gym with all modern equipments and a trainer to guide and encourage students to work out daily at the Institute.

## AUDITORIUM

The auditorium boasts of a well-designed stage and an audiovisual screen. It is the perfect platform for meetings, stage shows and interactive sessions. The screen complements any kind of audio-visual communication with amplifiers, speakers and an installed projector.

## CONFERENCE ROOM

The conference rooms have been constructed on the most modern lines with audio-visual aids. The facility of video conferencing makes it even more industry friendly with the scope of uninterrupted interaction. The conference rooms have in-built speakers to make the conversations distinctly audible. The cordless microphones help the speakers to interchange ideas.

## COMMUNICATION AND SOFT-SKILLS TRAINING

The Institute encourages its students to undergo training in communication and soft-skills to improve their presentation and articulation skills through its Soft-Skills Development Department as it is felt that it complements technical skills and knowledge.

## A RAGGING FREE ENVIRONMENT

Although there has not been a single instance of ragging in the Institute in its history of 60 years, it is declared that ragging is totally banned in the Indian Institute of Social Welfare and Business Management and any one found guilty of ragging and/or abetting ragging is liable to be punished.

The Hon'ble Supreme Court has

issued the following directions to prevent ragging in Technical Institutions:

“We recommended that every institution must have an Anti-Ragging Committee and an Anti-Ragging Squad. It is essential to have a diverse mix of membership in terms of levels as well as gender in both the Anti-Ragging Committee at the level of the Institution should consist of the representatives of civil and police administration, local media, Non Governmental Organizations involved in youth activities, representatives of faculty members, representatives of parents, representatives of students belonging to the fresher's category as well as seniors, non-teaching staff and should be headed by the Head of the Institutions. The Anti-Ragging Squad, in contrast, should be a body with vigil, oversight and patrolling functions and should appropriately be a smaller body which should be nominated by the Head of the Institute with such representation as considered necessary to keep it mobile, alert and active at all time. The Squad may be called upon to make surprise raids on hostels and other hot spots and should work under the overall guidance of the Anti-Ragging Committee. The Squad should not have any outside representation and should only consist of members belonging to the various sections of the campus community.”

The Institute strictly complies with these directions and AICTE regulations in this regard.

## *Course Overview*

Logistics play an important role to the development of the country's economy for its 'inclusive growth'. Production and distribution depend largely on the efficient management of logistics issues. Delivery of goods, services and information to their destination in the most efficient manner holds the key to the success and survival of an industry in the highly competitive environment of 'free' economy.

Keeping the above in mind, IISWBM has designed the Transportation and Logistics Management specialisation of the Master of Public Systems Management Course under the aegis of the Calcutta University. The course provides a gateway to the area of modern management skills, blended with the techniques of managing the intricate supply chains of modern industries and in-depth knowledge of all the transport modes road, rail, shipping, air and pipelines, with the Modal Interface.

This post-graduate degree of Calcutta University is also designed to equip the students with all the relevant management skills as accounting, marketing, human resource management, operation management etc. These skills are further enhanced by the study of managerial economics, strategic planning, data analysis, management information system, logistics and supply chain management, material management, warehouse management etc. The syllabus is updated at regular intervals to update it with latest developments and needs of the industry.

The synergy created by the students, hailing from different backgrounds of Engineering, Commerce, Arts (economics), management and pure science during the four semesters mold them into finest management professionals imbued with qualities of organisational leadership.

During these two years, the students have been groomed thoroughly by experienced management experts, academicians and professionals drawn from railways, roadways, airlines, shipping, ports and other industries. Students also visited industries, warehouses, ports, railway yards, container depots, etc. to validate the theoretical inputs and hone their newly acquired skills.
