# Success Story

## Of

# Environment Management Batch 2021-23

INDIAN INSTITUTE OF SOCIAL WELFARE & BUSINESS MANAGEMENT

### Aditya Dhar, CARBON CHECK(INDIA)PVT LTD.

After working in the automobile sector, I was eager to know more about the environmental/sustainability sectors. My two years of rigorous training in IISWBM opened up many arrays of opportunities in the following domain. I got placed in Carboncheck (india) Pvt Ltd a carbon credit auditing organization. IISWBM is a great place to study and has huge potential.

### Surosree Mukherjee, EY -GDS

The Environment Management course under MBA- Public Systems in IISWBM, offers a new learning arena in and around the Sustainability domain. This extensive 2-year programme has enhanced my knowledge thereby helping to pave my career path as I got to work at EY GDS. I'm grateful to all my professors for providing me with their valuable input, sincere guidance and constant encouragement.

### Riyanka Biswas, PWC

Environment Management gives me a new pathway in my upcoming years for my career. It helps me to develop my skill and knowledge. I sincerely express my gratitude to all faculty members for their co-operations and last but not the least I got selected in big four company like PwC by campusing.

### Ankita De, PWC

MBA in Environment management from IISWBM has helped me to launch my career in a new field after completing B.Tech in Electronics and Communication Engineering. After completing two years of intensive learning process, I got placed in PwC through the campus placement process.

### Aritro Sen, MORNINGSTAR SUSTAINALYTICS

Coming from Geology background, I wanted to diversify my career into the field of Environment Management and IISWBM has provided me with the opportunity to upskill myself not only with theoretical knowledge but also with practical hands-on experience through industrial field visits, live projects and seminars. All the experience and knowledge I have gained at the Institute has been a perfect launch pad for my career and will help me in doing my bit for protecting our planet.

### Ria Mitra Thakur, ORICA

After completing my graduation in Zoology Honours, I was in search of a professional course that would give me an industrial exposure. IISWBM with its unique and well designed course structure had given me the opportunity to pursue my career in Environment Management that acted as a link between my passion for the corporate world and to get acquainted with the environmental aspects. The esteemed faculty with their immense knowledge and experience backed by proper teaching methodologies guided me to explore my potential and to achieve my goals. I am highly grateful to my professors and the Placement Committee of IISWBM who believed in my hard work and talent and provided me with a platform for joining a reputed organization like Orica.

### Subhechha Ghosh, PWC

After my B.Sc, when I was desperate about my career, I came to know about IISWBM. And I took admission in MBAs in environment management. This course gives me an opportunity to enhance my knowledge and to start my career in a big company like PwC.

## DEPARTMENT OF HEALTHCARE AND HOSPITAL MANAGEMENT

Ekparna Biswas, TATA MEDICAL CENTER

*“After earning a BBA in healthcare management from Techno India Salt Lake, I decided to pursue a master's degree in healthcare management at IISWBM. I'm glad I made that choice since it gave me the in-depth information and real-world experience I needed to land a desirable job as an Executive Ward Secretary at the Tata Medical Centre in Kolkata.”*

Sudarshana Francis, NEOTIA BHAGIRATHI WOMAN AND  
CHILD CARE CENTRE

*“Coming from a B.Com. honours background, I wanted to diversify my career in the healthcare sector, and choosing IISWBM to do my MBA was one of the best decisions I have ever made. It helped me get placed in Neotia Bhagirathi Hospital, for which I am very much grateful.”*

Ishan Biswas, DESUN HOSPITAL

*“Studying MBA with a specialisation in healthcare and hospital management at IISWBM Kolkata was a brilliant experience and also a turning point in my career. The comprehensive curriculum, cooperative and expert professors, and the industry exposure through compulsory internships, provided the perfect platform to develop essential skills. Thanks to IISWBM, I secured a job at Desun Hospital, fulfilling my dream in the healthcare management sector.”*

Asif Molla, RUBY GENERAL HOSPITAL

*“Before choosing MBA, I had completed my graduation in Bachelor of Pharmacy. After my graduation, I was looking for better career opportunities in the healthcare industry. So, I had opted for the MBA-PS (Healthcare and Hospital Management) course in IISWBM. I would like to thank IISWBM, I am currently working at Ruby General Hospital as an Operations Executive.”*

FOR 2023 ADMISSIONS, VISIT-

# Feedback from Students of Transportation and Logistics Management, MBA-PS

Batch 2021-2023

INDIAN INSTITUTE OF SOCIAL WELFARE & BUSINESS MANAGEMENT

KAUSHIK DAS, HINDALCO INDUSTRIES LTD

*I am delighted to share my incredible journey at IISWBM, pursuing an MBA in Public Systems with a specialization in Transportation and Logistics Management. Under the expert guidance of professors of my department, I gained valuable knowledge and skills that have transformed my career. I am happy to announce that I have been successfully placed in Hindalco Industries Ltd., This achievement would not have been possible without the continuous support and mentorship provided by my professors. My prior background in Mechanical Engineering and experience in the Steel Fabrication Sector further enhanced my learning experience, allowing me to contribute effectively in my chosen field. I am grateful for the opportunities and growth that my IISWBM has provided me.*

SNIGDHASISH SARKAR, ORICA

DISHANI MONDAL, ORICA

PRATYUSHA SAHA, ORICA

*IISWBM has been a cornerstone in unlocking our full potential. The institution provides an unparalleled learning atmosphere that promotes not only academic development but personal growth as well. The curriculum is industry focused where highly qualified faculty members go above and beyond to ensure that students receive the support they need. Faculties from top industries visit, to share their knowledge to give an insight into the real working environment.*

*The syllabus, teaching methodology, assignments, internships and dissertations make us industry ready. We are placed in Orica after successfully completing the two-year program. We are grateful to IISWBM, we would highly recommend IISWBM to aspiring MBA students who seek a holistic education and industry exposure.*

SUPRATIK PAUL, JM BAXI GROUP

*It has been a wonderful journey with Transportation and logistics department (TLM) of IISWBM. After completion of my Masters in Chemistry, during my working period I had understood the need for Management degree and finally decided to get into IISWBM. The institute provided with hands on knowledge both theoretically and practically also through internships and dissertation works in industries. Professors and management officials, non-teaching staffs are quite knowledgeable and helpful towards students and their constant effort in shaping students' career brought out positive result for which I got an opportunity to be placed as one of the professionals in JM Baxi group through campus placement.*

RAJ KHATI, AFCOM

*I have successfully completed my graduation in B.Com (Accountancy Honours) and I was eager to diversify my knowledge and enter the practical world of work. IISWBM has given me the opportunity to excel in my career perspective by offering me admission to Transportation and Logistics management course, a prestigious program that combines field visits, internship, dissertations with management skills. I am grateful to IISWBM for believing in me and giving my career a new start in AFCOM.*

SUBHAJIT SAHA, EXIDE INDUSTRIES LTD.

*Supply Chain is the backbone of every Industry and by pursuing MBA in Public Systems Management with specialization in Transportation and Logistics Management (TLM) from IISWBM, I feel proud to call me a Budding Supply Chain Professional. During the 2 years at the Prestigious B-School I have acquired Practical Knowledge through Extensive Classroom Trainings and Industrial Internship Experiences which will help me excel in Supply Chain Field. I am very much grateful to all my respected Faculty Members for enriching me with their vast knowledge in the field and also to my Peers who have helped me grow as a better human being by honing the sense of Teamwork and Camaraderie. I got selected at Exide Industries Limited in Campus Placement and look forward to perform excellent works backed by all the experiences gained here.*

SANDEEP KUMAR, AFCOM

*After completing my Bachelors of Business Management from Patna , I was in search of professional career that would give me an international exposure. IISWBM MBA-PS (Transportation and Logistics Management) has given me the opportunity to learn theoretical as well as Practical Knowledge about Global logistics and supply chain operation from best faculty members and Industry Person. After completing 2 years of MBA-PS (TLM) Course I got placed in AFCOM, Dubai based MNC as a logistics coordinator. I am thankful to IISWBM for helping me find what I am passionate about, pushed me to seek new experiences, and for altering my personality.*

BISWARUP DAS, BLUE DART

PRITAM CHATTERJEE, BLUE DART

MRIDUL BAGGA, BLUE DART

ARKA GUPTA, BLUE DART

SOUNAK BANERJEE, BLUE DART

*The IISWBM MBA-PS TLM program was instrumental in securing our role as Management Trainee in Operations at Bluedart. Its industry-focused curriculum, experienced faculty, and emphasis on experiential learning prepared us with the skills and knowledge needed in operations management. Practical projects, internships, and team-based activities honed our leadership and communication skills. The program's reputation and alumni success garnered positive attention during our job search. We are now implementing the strategies learned to optimize supply chain processes at Bluedart. We highly recommend the IISWBM MBA-PS (TLM) program for those aspiring to excel in operations management.*

ARPAN DEY, BRITANNIA

*In 2020 most of the COVID struck students had to defer their career plans. However coming from a Civil Engineering background I was more aligned towards continuing what I had been pursuing and the Transportation and Logistics Management course offered the perfect opportunity. Guided by industry stalwarts, brainstorming sessions, field visits, regular seminars and obviously the experienced faculty, it was an amazing journey. All this finally culminated into the successful onboarding at Britannia Industries Ltd, a top notch FMCG company today. I would forever remain grateful to the department and cherish those days and wish the Institute continues its journey nurturing talent beyond age.*
