**Please take the screenshot of the payment reference  
or download the receipt and mail that to [msw@iiswbm.edu](mailto:msw@iiswbm.edu) immediately.**

**4.** Payment of fees only ensures a provisional admission for you. Final admission will take place only on compliance of the following:

a) Physical verification of all documents relating to your academic credentials and payment of fees – this will be done before the commencement of classes.

b) Approval of your qualifying degree/examination (that makes you eligible to apply for this course) by the University of Calcutta.

c) Passing the qualifying examination – this is only for those who are in the process of completing their qualifying examination and the final results are yet to be published.

Failure on any of the above counts will result in cancellation of admission and the fees deposited will be refunded after deducting amounts as per norms. The admission of candidates whose final examination results are yet to be published will be provisional subject to passing the Honours / Engineering degree. The relevant documents will have to be submitted when asked for.

**5.** If you have passed your last examination (graduate or post-graduate) from a university other than the University of Calcutta, you must obtain a Migration Certificate and submit the same to the University of Calcutta within one month from the date of commencement of the course.

**6.** The date of commencement of classes is a bit uncertain at this point of time and depends upon Government directives, University decisions and the ground situation. Please keep an eye on the Institute website for the latest announcement.

**7.** For all queries relating to admission, you may contact Mr. Netai Jana : (033) 22413756 / 40237474 /22418694/22418695/(M: +91629180556). Also you may write to [msw@iiswbm.edu](mailto:msw@iiswbm.edu) .
