

NAVIKARAN'19

Organised on the 19th Oct'19, Navikaran 2019, an initiative of the four clubs of MBA (Day) IISWBM: Abhisharan, Finvestec, Resonance and Verkoop, presented an opportunity for the students to participate, perform, compete and grow with an element of fun and creativity. Moving on with the festive mood it provided the bonus happiness between Durga Puja and Diwali. This year in Navikaran, Verkoop organised SAATKAHON, a 7-days long challenge and a meme contest for non-participants. Finvestec organised Pujonomics, Resonance organized Kolloseum and Abhisharan organized a contest called Satyanweshi. Navikaran'19 was also sponsored by some famous organisations like AMRI Hospitals, Digitek, Travel Himalays, Presto and Radio Partner Friends FM 91.9 who covered Navikaran'19 live on the day. With overwhelming responses from our fellow students the event turned to be a successful one focusing to expose the creativity and managing skills of management students and every participant was exceptionally well according to our beliefs.
