The sports management students got an understanding of the history of sports in Tata, the Infrastructure, administrative set-up, the mission, vision and long term plan of each sports academy by directly interacting with the managers, coaches and the players. The students also visited the Tata Football Academy and Naval Tata Hockey Academy on the final day.

Students even got an opportunity to interact with Mr. Mukul Choudhary (Chief of Tata Steel sports wing and CEO of Jamshedpur FC) and Mr. Ashish Kumar Gupta (Head of Sports, TATA Steel). Mr. Choudhary and Mr. Gupta discussed about various aspects of sports management and the contributions that the sports management students can make in running these sports academies professionally.
