

THE HOMECOMING

Like every other year, this year also the Indian Institute of Social Welfare & Business Management organized **Paradigm'19, The Annual Alumni Meet on 8th of February 2020 at The Lalit Great Eastern, Kolkata.** The event saw alumni from the batches 1978 to 2019 revisiting their Alma Mater to revive their memories. The event kicked off from 7pm with the speech from our very own HOD Dr. Tanima Ray followed by a small quiz. The quiz gave an opportunity to the alumni to walk down the hallowed halls of the institution and share their vivid memories with everyone. The alumni have always been an essential part of IISWBM and the institute takes pride in being the home of numerous present day industry leaders. The event was a grand success in celebration of mutual trust and confidence between the students and the alumni under the patronage of the institute's management and faculties.
