Dear Sir,

You will be happy to know that IISWBM got good response in the last twelve batches of short-term course on Energy Management and Audit which were held during 2007-2014 at IISWBM. Participants from Aditya Birla Insulators, CESC Ltd., Dept. of Health, Eastern Railway, India Power, Kolkata Municipal Corporation (KMC) as well as other Municipalities, Ordnance Factories, PWD, TCS, WBPDCL, WBSEDCL (erstwhile WBSEB) and other industry members, were nominated to these courses.

The theory and practice of Energy Management and techniques as well as technology of Energy Audit is getting enriched with passage of time. Also, as per Energy Conservation Act 2001, the Bureau of Energy Efficiency (BEE), Govt. of India, calls for application for the CEM/CEA examination each year. To gain advantage with this enrichment in the modern era with PAT, ISO 50001, power trading in the offing and help prepare the candidates for the forthcoming examination to be held during September 19-20, 2015, IISWBM has rescheduled to start the twelfth batch of the “Short-term Certificate course (STC) on Energy Management and Audit” on 27th August, 2015. The institute extends support to all the alumni to help prepare for the examination and to resolve day-to-day issues in energy management, even after completion of the course.

Nominations are, therefore, invited from industries and/or participants for the thirteenth batch of the course scheduled to be held during August 27- September 9, 2015 for Two-weeks full time (Class timing: 9:00 AM-5:15 PM). The fees will be INR 25000/- per participant as mentioned in the enclosed brochure which is to be submitted by 18th August 2015.
