

UJJWALON

“Ujjwalon”, a fresher’s party organized by the department of Masters in Social Welfare, session 2018-2020 for their juniors of session 2019-2021. It was not just another day. It was a new opportunity, a new chance and a new beginning for our beloved juniors. We had lots of fun. Many of our classmates performed for the juniors. Sonalika Dutta, Mouli Dutta, Nicole Urvi Saviel, Shramana Chakraborty, Shirsha Bhattacharjee, Sneha Roy, Soumili Nandy, Tripti Mukherjee, Sayantika Sen and Bidisha Roberts performed a group dance. Shirsha Bhattacharjee and Sneha Roy danced a duet. Sayantika Sen, Bidisha Roberts, Suchetana Sarkar and Rusa Kar gave us an amazing solo dance performance. Also, there were singing performances by Soumalika Basu and Suchetana Sarkar. We also made arrangements for some fun games for the juniors such as truth and dare, passing the ball, mimicry and so on in which they participated and enjoyed to the hilt. Food was served to them. Among others, it comprised of an amazing big chocolate cake with “Ujjwalon” etched on it.

Thus, when all is said and done, we find our hearts have recorded memories of the day that expire to beat the inexorable passage of time.
