

The Webinar on the topic “Achieving SDG 6 and 7- Initiatives at the Organizational Level - Sustainability & Sanitation”, to be jointly curated and organized by JICA Alumni Association of India (JAAI) and Indian Institute of Social Welfare and Business Management (IISWBM). The event is scheduled for 21st March, 2021 from 10:30 AM onwards and will be hosted online via Google Meet. JAAI is an association of JICA training ex-participants, who have undergone training in Japan under Technical Cooperation Programmes of Japan International Cooperation Agency (JICA), Government of Japan and IISWBM, established in 1953 at the behest of the Government of India, is the oldest and one of the leading business schools in India and running post-graduate program in Energy Management since 1993.

The event will have an audience of around two hundred, comprising Corporate dignitaries, particularly from energy intensive units, viz. Designated Consumers, Certified Energy Managers and Auditors; JAAI members, ex-JICA participants, Members of Energy Club, Kolkata, Members of Association of Energy Engineers - Chapters in Asia Sub-continent; concerned University teachers & students and Officials of JICA India office and IISWBM; institutes and think tanks engaged in Sustainability management, teaching staff, research scholars, students of interdisciplinary courses dealing with energy and environment management issues, etc.

Our goal is to build awareness around the opportunities and challenges faced by business entities while undertaking initiatives to achieve SDG 6- Clean Water and Sanitation and SDG 7- Affordable and Clean Energy.

The indicative programme schedule is attached herewith and the webinar registration link is <https://forms.gle/Vd6nbAsKxBnVtZHB8>.
