

Webinar on Analytics in Business and Business Resilience during Pandemic

Guest Speakers – Dr. Sibani Mohapatra, Analytics, Data Science, AI, ML Specialist, Analytics & Insights at Tata Consultancy Services Ltd.

Mr.Partha Sarkar, Academic Relations Manager at Tata Consultancy Services Ltd.

Date- 30th December, 2020

Time – 09:00 AM; **Duration** – 1:30 hours

Mode – Virtual

Dr. Mohapatra is a seasoned Analytics Professional with 22 years of experience. She is also a six-sigma green belt and PMP certified from PMI, USA. During the session ma'am spoke on the topics of "**Analytics in Business**" and "**Business Resilience during Pandemic**"

She discussed how analytics plays a big role in the industry and how it can help to drive the company towards its vision. She also explained how analytics helped the companies during pandemic to overcome the difficult situations. The participants got an insight about how analytics affect the various verticals of business. The webinar was very interactive and informative followed by a Q/A session in which all the queries were addressed by the speakers and it was thoroughly enjoyed by the participants.
