MESSAGE FROM THE DIRECTOR

The Indian Institute of Social Welfare and Business Management (IISWBM), which is the first Management Institute set up in India on 25th April 1953, has carved out a niche for itself by offering innovative management courses. One-year full time Post Graduate Diploma in Sports Management is one such course introduced in the Golden Jubilee year of the Institute in 2003. Indeed, we are the first Management Institute to introduce such a course with the objective of developing professional managers to cater the sports related business and associations.

This course became a full-fledged Post Graduate Diploma course in Sports Management of the University of Calcutta from the Academic Session 2010-2011. The CBCS (Choice-Based-Credit-System), as per the guidelines of UGC, has already been introduced from the Academic Session 2024-2025. The curriculum of this course is benchmarked as per the international standard and the curriculum is upgraded periodically to meet the changing needs of the sports industry.

As a part of the course curriculum, 6-week mandatory internship opportunities are being provided to the students with various sports bodies, federations and associations, sports management companies, sports broadcasting companies, etc. across the country in each year during the month of January to February.

The department is having the most efficient, experienced and erudite faculty members from the academics and business of sports. They are committed to provide a holistic learning environment to enable the students to take the complex challenges of the dynamic world of sports as well as to equip them to manage the sports organisations with new ideas.

The unique feature of this course is its excellent placement record. So far, practically all the successful students have been suitably placed and many of those, already employed, have made significant progress in their career graph.

PGDSM PROGRAMME

Post Graduate Diploma in Sports Management is a regular course **under the University of Calcutta**.

The course is designed to give students a professional exposure to the structure, economic impact, organisation, funding of the sports industry as well as current trends in sports and relationship between sports and the mass media. The students will learn about the laws and regulations that all leisure and recreational organisations have to follow.

More specifically, this one-year Post Graduate Diploma Programme has been designed to cater to the demand from various institutions and industries for appropriately qualified people to manage and administer sports-related operations. The syllabus is reviewed from time to time to introduce new thoughts and concepts.

The programme helps the students to gain a thorough understanding of the multidimensional importance and value of sport. They also acquire business skills relating to public relations, marketing and entrepreneurship, which today form an integral part in the administration of any sporting organisation.

The programme is designed to help the students to learn the tools and techniques of sports administration, including event management. It also acquaints them with contemporary trends and issues in sport. It also covers sports science, sports psychology, sports economics, sports finance, broadcasting and sponsorship, development of sporting talent and management of facilities.

Another important area is **Research Methodology** in sports which deals with the techniques and analysis applied to the business of sports. The paper has been incorporated to provide the students with an opportunity to understand the avenues of research and its application to the field of sports.

The Course Structure has been revised and upgraded from the Academic Session 2024-2025 to introduce the Choice Based Credit System (CBCS). Under this system, apart from the Compulsory Core papers (CO), students may opt for Discipline Specific Elective Papers (DSE), one in the first semester and one in the second semester following the rules of the Course. This will further enhance the knowledge of the students on specific areas of Sports Management.

OBJECTIVE

The focus of this niche course is an inclusive management education for general graduates. The objective being to offer a career, which would help them to earn a decent livelihood in an unexplored field hitherto.

ELIGIBILITY

The minimum qualification for admission is a Bachelor's Degree either in Arts / Science / Commerce / Business Administration / Computer Applications / Law or Bachelor's Degree in Engineering / Technology / Medical Science / other professional courses or its equivalent from any University recognised by the University of Calcutta.

Those, who will be appearing in such examination in 2025, may also apply, provided that, if selected, the candidates must have to submit the final mark-sheet of graduation before the form fill-up of the first semester examination for the Academic Session 2025-2026.

The total number of seats will be restricted to 30, including reserved categories following the guidelines of the University of Calcutta, excluding readmission.

PGDSM PROGRAMME

FOREIGN/NRI/PIO STUDENTS

A candidate from abroad may apply giving details of academic background along with a certified copy of passport and other relevant documents; GMAT/ equivalent score is desirable. Admission may be considered subject to Bachelor's Degree qualification and any other requirements of the University of Calcutta.

MIGRATION

The students of other Universities are to get Calcutta University's Registration after migration. Calcutta University's rules and procedures in this regard are to be followed. They will be required to pay separately the Migration and University Registration fees.

LOAN FACILITIES

Institute will provide a certificate to an applicant seeking loan from a bank which has floated the 'Loan Scheme', referring that the candidate is a bona-fide student of the Institute.

MEDALS

A Gold Medal is awarded to the candidate who ranks first in order of merit for the concerned Academic Session. A Silver Medal is awarded to the candidate who ranks second in order of merit for the concerned Academic Session.

STUDENT PROFILE

The Institute has cosmopolitan student profile from all states of India.

ALUMNI

Alumni are holding important positions in companies engaged in sports, including electronic media, and sports federations, such as AIFF, BCCI and ICC. At present, some of our alumni are working in important management and administrative positions in the Sports related Departments of the Government of West Bengal, Government of Andhra Pradesh, Sports Authority of India (SAI) etc. Some of them are also holding important positions abroad.

PLACEMENT

Assistance is rendered to students in obtaining placement. The record of placement is exemplary and practically all the students have been suitably placed in India and abroad with reputed Sports Organisations, Sports Management Companies and other organisations operating in the field of sports.

The legend of Indian cricket, Shri Saurav Ganguly, inaugurating the Sports Management Course for the Academic Session 2018-2019

Shri Arun Lal, the former Chief Coach of the Bengal Cricket Team & former opener of the Indian Cricket team, inaugurating the Sports Management Course, (Session 2019-2020)

COURSE STRUCTURE

PGDSM is a one-year full time Post Graduate Diploma Course in Sports Management of the University of Calcutta. The Course is designed to give students a professional exposure to the structure, economic impact, organisation, marketing, funding of the sports Industry as well as current trends in sports and relationship between sports and the mass media.

One full academic year, spreading over two semesters, will include theoretical papers, project/ internship and dissertation work.
