

As a part of the Earth day celebration,2022, which was held on 22nd april,2022,the preceding day, i.e. 21st of april 2022 was celebrated by the Department of Social Welfare and Department of Environment Management through a Cleanliness Drive. The drive was carried on around college square area. All the waste collected has been segregated and disposed off safely. Cigarette butts have been separately collected with the objective to recycle them later on.
