Indian Institute of Social Welfare and Business Management (IISWBM) is the first Management Institute of the country. It was established in 1953 by Dr. B. C. Roy, the then Chief Minister of West Bengal, as the Founder President. The Government of India, in recognition of 50 years of glorious existence of the Institute as the first B-school in the country, released a commemorative postage stamp on IISWBM on 25th April 2004 in New Delhi.

As the name of the Institute suggests, IISWBM was historically set up with a view to social welfare. The primary objective was, and remains till today, not only to churn out managers for the corporate sector but to train students for other activities relevant in the contemporary socio-economic scenario of the country. The focus of the courses remains interdisciplinary to give the students a holistic view of any organization.

IISWBM's mission is to impart management education, develop managerial talent and sharpen the competitive managerial abilities of its students so that they can outperform in the borderless business world of tomorrow.

IISWBM's philosophy is to develop right managers for the Indian business scene keeping in mind the commitment made by Pandit Jawaharlal Nehru during the laying of the foundation stone, i.e. "an intellectual experience linked with the sense of social responsibilities". Our philosophy can therefore be explained by our name IISWBM, i.e.

- Indian values
- Innovative ideas
- Sincerity in performance
- Worshipping knowledge
- Broadening horizons
- Making managers of tomorrow
