Dear Alumni,

Greetings from your alma mater!

We hope you are doing well, both professionally and personally. As IISWBM steadily approaches its 75th year, the Institute is moving ahead with renewed energy and a strong focus on development. Several infrastructure upgrades are underway, and we are delighted to welcome new faculty members who are further strengthening our academic community.

We are equally committed to reconnecting regularly with our esteemed alumni, whom we are immensely proud of. In this spirit, we are instituting an annual **Alumni Meet** that will bring together graduates from all departments on a single day each year to their alma mater, presented through the **Alumni Association of IISWBM** under the Presidentship of Prof Ranajit Goswami. This will be an opportunity to reconnect with teachers and friends, and to share your valuable feedback and suggestions for the continued growth of your institution.

This year, the reunion will be held on **Sunday, 1 March 2026**, at IISWBM.

We are going to **print an Alumni Directory** to be released on that day. For that, you are requested to fill out the form at the time of registration.

The **Day's schedule** will be as follows:
