IISWBM – Alumni Meet 2026

Emotions are Spontaneous, boundless. The majestic moments of inaugural functions of Alumni Meet on 1st day of March in the Year 2026 gave rise such natural and impulsive emotions from the Alumni folk irrespective of ages. How much can words express the spur of the moment? It is a beyond physical storage except with core of an individual's heart. Still we endeavored perhaps not in vain to organize few of the recollections from Alumni engagement on the Alumni Meet deemed to be in grand record of cheers and nostalgia. This is a momentous year for all of us.

I would recall the names of great personalities and our most esteemed Alumni Shri Sudhir Jalan and Shri R.P. Yadav respectively, without whose sensible attitude, administrative powers and generous contributions to the society and for the Alma Mater. We always perceive the strength especially when our Alumni are with us. This year is more special for all of us because the Institute has awarded Life time Award for distinguished Alumni to Shri Sudhir Jalan and Shri R.P.Yadav for their outstanding contributions in nation building.

Today we not only celebrate the rich history of our Institute IISWBM in bringing our Alumni homecoming nostalgia but also invasion a future brimming with possibilities and continue excellence. As we delve into the festivities and reflections planned for Alumni Meet, let us take a moment to express our gratitude to all our Alumni who have played a pivotal role in the success story of building up IISWBM.

The Alumni Meet celebration is not just a commemoration of the past, but a Declaration of our commitment to the future. As we navigate the challenges and opportunities that lie ahead, Let us reaffirm our dedication to management brilliance, innovation and social impact.

We were applauded to receive Alumni response and their participation to celebrate Alumni Meet bringing their rich professional experiences and life journey stories.

Together, let us shape the next chapter of our remarkable journey, building upon the foundation of century's worth of managerial excellence and innovation. Report
