A Grand Farewell to a Living Legacy: Honoring Prof. (Dr.) Madhumita Mohanty

On January 27, 2026, the HRM Events Committee, alongside the students of the MBA HRM Department, gathered to host a deeply moving farewell for the venerable **Prof. (Dr.) Madhumita Mohanty**. For over two decades, Dr. Mohanty has served as a pillar of strength, a guiding light, and an irreplaceable part of the Institute's illustrious 73-year history.

The evening commenced with heartwarming addresses from her colleagues—fellow faculty members who shared fond memories of their shared journey and celebrated her profound impact on the institution. This was followed by a captivating address from Dr. Mohanty herself, who took the audience down memory lane, sharing her inspiring journey of becoming an icon and the definitive face of the Institute for so many years.

The celebration then transitioned into a vibrant cultural showcase, featuring elegant classical dance performances and soulful musical tributes. However, the emotional crescendo of the evening was a surprise farewell video meticulously prepared by the

students. Featuring heartfelt snippets and fond messages from alumni across different batches who had studied under her guidance, the video brought a beautiful, teary-eyed moment to the room.

Ultimately, the event was much more than a formal send-off; it was a beautiful celebration of love, life, and the enduring bond between an extraordinary teacher and her students. Dr. Mohanty's legacy will undoubtedly continue to inspire the halls of the Institute for generations to come.

A Night of Nostalgia and Network:

Confab '26 Celebrates the Alumni Spirit of MBA HRM

On April 11, 2026, the halls of IISWBM Kolkata buzzed with synergy and nostalgia as the institution hosted **Confab '26**, the official alumni meet of the MBA HRM Department. The evening was a magnificent success, serving as a joyous celebration of shared histories and enduring professional bonds.

The event commenced with an insightful and welcoming address by the Director, setting a forward-looking tone for the evening. The spotlight then shifted to the alumni, who took the stage to share inspiring stories of their corporate journeys, lessons learned, and fond memories of their formative college days. Beyond the nostalgia, the night was a masterclass in community building, filled with interactive engagement, vibrant laughter, and excellent

food. Interestingly, the seamless energy of the night perfectly mirrored the very core of HR philosophy, serving as a real-world reflection of how high-level employee engagement truly drives an organization's culture.

Executing an event of this scale was no small feat. Pulling together a flawless experience in an incredibly short timeframe, the Events Committee—collaborating seamlessly with all other student committees—demonstrated exceptional project management and teamwork. Amplifying the prestige of the evening were the event's prominent media partners, **91.9 Friends FM** and **The Telegraph Edugraph**, whose association helped make Confab '26 a resounding success. It was a night that beautifully reinforced the strength of the IISWBM HRM family, bridging the gap between past achievements and future aspirations.

The Sun Sets on a Golden Chapter: Celebrating “Aurelia ’26”

As the timeless adage goes, every beautiful journey must eventually find its horizon. Marking the culmination of two unforgettable years, the Junior Events Committee organized “Aurelia ’26”—a spectacular farewell dedicated to the departing MBA HRM batch of 2024–2026.

The theme for the day was traditional elegance, and the campus instantly transformed into a sea of vibrant ethnic attire, with everyone looking as though they had stepped right out of a classic Bollywood frame. The celebrations kicked off on a nostalgic note with a delightful guessing game featuring childhood photographs of the seniors, which instantly filled the room with laughter and warmth. This was followed by a dynamic cultural showcase, where juniors took to the stage with high-energy dance routines and a beautifully curated musical medley that kept the energy soaring.

The emotional center piece of the event arrived toward the end: a meticulously crafted tribute video capturing the defining moments, inside jokes, and milestones of the seniors' two-year journey. There was hardly a dry eye in the house as the realization of parting set in, turning the room into a beautiful space of shared gratitude and teary-

eyed nostalgia.

Ultimately, Aurelia '26 was a magnificent celebration of laughter, exquisite food, and camaraderie. More than just a farewell, it was a poignant tribute to the two amazing years spent within the college walls and a testament to the pure magic of lifelong friendship and togetherness. As the batch of 2024-2026 steps into the corporate world, they carry with them the enduring spirit of the institution.

Thank you!
