

Congratulations to International Scholarship Winners Students of Energy Management (MBA-PS) Department, IISWBM from AEE (USA) and CWEEL(USA) since 2003.

About the Association of Energy Engineers (AEE)

AEE is a non-profit organization dedicated to serving our members and other industry professionals who are working to improve energy efficiency to save energy, reduce GHGs, make buildings perform better, and help reach global goals for Net-Zero.

Mission and Vision

Mission: To shape the future of the energy industry through networking, energy awareness, education, training, professional certification and recognition

Vision: Leading the global energy community to meet the challenges of a clean and sustainable future

IISWBM MBA-PS Energy Management department hosts the AEE Kolkata Chapter.

AEE Kolkata Chapter

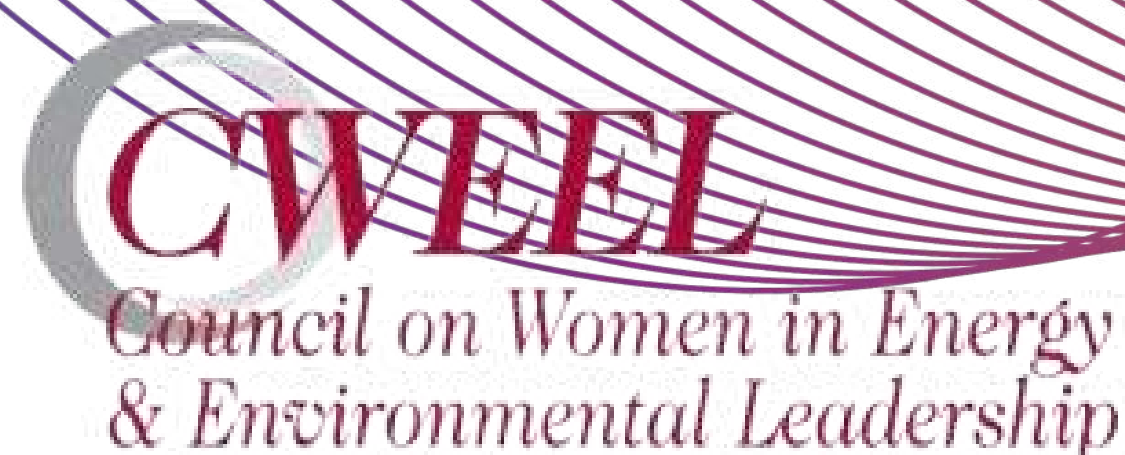

The first chapter of the Association of Energy Engineers, (the renowned body of energy professionals with 147 chapters over the globe including 70 in the US and 77 in other countries) in India was inaugurated on February 21, 2003 by H.E. Mr. George N Sibley, the American Consul General, Consulate General of USA in Kolkata at IISWBM. This facilitates the senior managers in energy intensive industries in the region to share with the US counterparts on state-of-the-art technology and practices in Energy Management. The AEE IISWBM Kolkata Chapter, India boasts of securing the international awards during the last eighteen years i.e. since the year of its inception in 2003. The Chapter has been adjudged with award of various categories like best chapter website, best student chapter, best community service, best chapter newsletter, etc. The Chapter has also received Best Overall Chapter Performance Award in the year 2005, 2009, 2010, 2014, 2015 and 2018.

About the CWEEL

CWEEL is a division of the Association of Energy Engineers (AEE). CWEEL's mission is to support career development for professional women, mentoring, networking, and scholarships for aspiring women to pursue technical education and careers in the energy and environmental fields.

About the AEE Foundation

Since 1983, the Foundation of the Association of Energy Engineers, with its Scholarship Program, has helped students in energy engineering, energy management, environmental engineering, and sustainability.

Every year our students from the Energy Management Department of IISWBM receive an International Scholarship from AEE(USA). This international recognition is a landmark in the pursuit of professional excellence and building an international career.

AEE Scholarship Winners from Energy Management, IISWBM (2022-2024 Batch)

We are proud to announce that five students from the current batch of energy management have been selected to receive the prestigious AEE scholarships 2023. Two of them have received the AlThumann Award amounting to 5000\$ each while the remaining three have received AEE International Scholarship amounting to 1000\$ each. All five students have received complimentary student membership for one year from the AEE foundation. Each of them will also get an opportunity to attend the AEE World Energy Congress 2023 in- person at Orlando, FL.

The graphic is a celebratory announcement for AEE 2023 scholarship winners. It features a maroon background with a gold banner at the top reading 'CONGRATULATION'. Below this, the text 'ENERGY MANAGEMENT DEPARTMENT BATCH 2022-2024' is displayed. In the center is a large gold circular seal with 'AEE 2023 SCHOLARSHIP WINNERS'. Five circular portraits of the winners are arranged around the seal. Each portrait is accompanied by the winner's name and a gold ribbon indicating the scholarship amount: \$1000. The winners are Hemanta Roy, Manabendra Ghosh, Abanish Mazumder, Baibhav Nag, and Sumita Banerjee. Logos for IISWBM, AEE, and the Kolkata Chapter are at the top. A footer link is at the bottom.

Celebrating Excellence: AEE Scholarships 2024

We are delighted to share that six students from the current batch of the Energy Management program have been awarded the prestigious AEE Scholarships 2024, recognizing their outstanding academic achievements and commitment to the field of energy engineering. Among the recipients, one student has been honored with the highly coveted CWEEL International Scholarship 2024, valued at \$1,000, while the remaining five have been awarded the AEE International Scholarship, each amounting to \$1,000.

As an added privilege, all six students have been granted a complimentary one-year student membership by the AEE Foundation, connecting them to a global network of energy professionals and resources. Furthermore, they have been extended an exclusive opportunity to attend the AEE World Energy Congress 2024, an unparalleled platform for knowledge exchange and professional growth in the energy sector. This remarkable achievement underscores the exceptional talent and dedication of our students, who continue to shine as future leaders in energy management and sustainability.

The poster features the logos of AEE (Association of Energy Engineers), Kolkata Chapter, IISWBM, and CWEEL (Council on Women in Energy & Environmental Leadership) at the top. The main title is "AEE & CWEEL Scholarship Recipients 2024". Below the title, it states "Each of them has received \$1000". The recipients are listed in a vertical stack, each with a portrait photo, name, degree, and scholarship type:

- Sunistha Kundu**
B.Tech in Electronics and Communication Engineering
CWEEL Scholarship Recipient
- Shalu Sinha**
B. Sc. hons in zoology
AEE Scholarship Recipient
- Dipanweeta Roy**
B.A in Economics
AEE Scholarship Recipient
- Saransh Ate**
B.Tech in Electrical Engineering
AEE Scholarship Recipient
- Arindam Hazra**
B.Tech in Civil Engineering
AEE Scholarship Recipient
- Sayantan Pati**
B.Tech in Electrical Engineering
AEE Scholarship Recipient

Celebrating Excellence: AEE 2025 Scholarship Recipients

We are delighted to announce and congratulate the recipients of the AEE Scholarship 2025. Your outstanding academic achievements, dedication, and commitment to the field of energy engineering are truly commendable. This scholarship recognizes your hard work, potential, and passion for contributing to the evolving energy landscape. Your achievements reflect not only academic excellence but also a strong commitment to creating a more sustainable and energy-efficient future.

As members of the AEE community, we are proud to celebrate this accomplishment and look forward to seeing the impact you make in the years ahead.

Congratulations once again, and wishing you continued success in all your future endeavors!

The graphic features a light blue background with a subtle grid pattern. At the top, the logos for IISWBM, AEE, and CWEEL are displayed. A central red banner with white text reads "Congratulations!". Below this, two circular portraits of the winners are shown, each with a blue ribbon and a red banner indicating a \$1000 scholarship. The winners' names are listed below their portraits.

Celebrating Excellence: AEE Scholarship 2026 Winners from IISWBM Energy Management

We are delighted to congratulate the four outstanding students selected as recipients of the AEE International Scholarship 2026, with each recipient receiving a \$1,000 scholarship award in recognition of their achievement and potential.

This scholarship celebrates their academic dedication, enthusiasm for the energy sector, and commitment to contributing to a more innovative and sustainable energy future. Their accomplishments reflect the promise of a new generation of energy professionals ready to take on the challenges and opportunities ahead.

We are proud to recognize their achievements and support them as they continue their academic pursuits and develop their knowledge, skills, and leadership in the energy field.

Heartiest congratulations to all four recipients on this well-deserved recognition. May this scholarship serve as both a celebration of your achievements and an encouragement for the many milestones yet to come.

Kolkata Chapter

AEE FOUNDATION SCHOLARSHIP 2026

— EMPOWERING FUTURES. ENERGIZING EXCELLENCE. —

We are proud to announce the selection of four outstanding students for the AEE Foundation Scholarship 2026. Their dedication, passion, and commitment to energy and sustainability excellence inspire us all.

Congratulations!
