5. Candidates are advised to prepare a **PowerPoint presentation** covering, preferably, the following:
- Proposed Research Area/Title;
 - Background and rationale of the proposed research;
 - Statement of the research problem;
 - Research objectives;
 - Brief review of relevant literature;
 - Proposed research methodology;
 - Expected outcome and contribution of the proposed research.
6. Candidates should keep the presentation **concise and focused**, preferably within **10-15 minutes**.
7. Candidates should also bring a copy of their **research proposal/research concept note**.
8. Candidates are advised to ensure that their presentation is compatible with the available computer/projector facilities and to carry a copy of the presentation in a **USB drive** as a precaution.
9. Candidates are required to appear at the venue strictly according to the time slot allotted to them.

Candidates are requested to take note of the above schedule and appear accordingly.
