BUSINESS MANAGEMENT

Interactive Session with EY ESG Partner and Intern Mentoring at IISWBM

The Indian Institute of Social Welfare and Business Management (IISWBM) hosted a highly resourceful interactive session featuring Mr Sounak Saha, Partner in ESG and Sustainability at EY, on 25th April 2026. He engaged with an ambitious group of students specializing in Energy and Environmental Management of the MBA-Public Systems Department. The session bridged the gap between academic theory and corporate reality, offering advanced insights into global sustainability frameworks, carbon accounting, and the complexities of renewable energy management.

Moving beyond general industry trends, the session aimed to provide direct career mentoring tailored to the students selected as interns at EY. The guidance highlighted the precise strategic mindsets and technical skills needed to excel in professional ESG roles, leaving the newly appointed interns inspired and equipped with a clear roadmap to drive impactful, sustainable change during their tenure.
